SUMMARY

SEO specialist with 8+ years of experience, including 4 years at a digital agency. I help businesses get more customers from Google and AI search. I plan the work and do it myself, including the website when needed.

CORE SKILLS

- Technical SEO: site audits, site speed, schema, moving sites without losing rankings
- Keyword research, content, link building and local SEO
- AI search (GEO): helping brands show up in ChatGPT and Google's AI answers
- Google Ads and conversion tracking
- Website development and technical fixes (WordPress, Shopify, Webflow, Odoo and custom CMS platforms), including AI-assisted development with Claude Code and GitHub

TOOLS

- **SEO:** Google Search Console, Ahrefs, Semrush, Screaming Frog
- **Analytics:** Google Analytics 4, Google Tag Manager, Microsoft Clarity
- **CMS & websites:** WordPress, Shopify, Webflow, Odoo, custom/proprietary CMS platforms
- **AI & dev:** ChatGPT, Claude, Claude Code, Gemini, Perplexity, GitHub
