SUMMARY

Certified SEO, GEO and Google Ads specialist who works with Claude daily, with 8+ years of experience leading SEO strategy and execution for businesses in healthcare, e-commerce, software and online education, including 4 years at a digital agency. I own the whole cycle: strategy, technical fixes, content, links, paid campaigns, website changes and reporting, running my research, analysis, content and reporting through Claude workflows to move faster and with less overhead.

CORE SKILLS

- AI-powered SEO: all my work runs on AI, using the latest models and tools (Claude Code, OpenAI API)
- SEO lead: building the plan and strategy, defining the roadmap, and setting up the metrics and KPIs to track it
- GEO / AI search optimization (ChatGPT, Perplexity, Gemini, Google AI answers)
- Technical SEO and web development: hands-on in both, I fix the technical side myself and build sites on WordPress, Shopify and Webflow, including UI/UX and website flows
- On-page and off-page SEO: keyword research, content, link building
- Google Ads, conversion tracking and optimization (GTM, GA4), and optimizing the sales funnel from click to customer

TOOLS
